SUMMARY

I'm an award-winning junior UX/UI Designer with a comprehensive background in the creative sector and finances. Besides UX design skills and expertise, I gained skills that help me with a career switch, such as commitment, creativity and open-mindedness. Eager to work in a diverse and friendly environment. I moved to Amsterdam from Moscow in 2016.

EXPERIENCE

Junior UX/UI Designer

Freelance / Amsterdam / Apr 2019 — now

Working on UX/UI projects, applying design thinking process and methods to solving user problems. Conducting user research. Creating the end-to-end user journey. Transforming conceptual ideas into design solutions. Creating personas through user research and data. Managing deadlines.

Photographer

Milla Dovgal Photography / Amsterdam / Jul 2016 — Jan 2019

Provided photography services for private clients. Created personal brand identity, developed a marketing strategy and build a structured workflow, that helped me do freelance efficiently.

Community Manager

School of Visual Arts / Moscow / Apr 2015 — Jan 2016

Managed the photography and art courses, workshops and events. Proposed, developed and implemented social media and email marketing strategy, that gave us more satisfied students.

Risk Insurance Manager

Russian Ministry of Sports / Moscow / Jan 2011 — Jan 2016

Developed and improved insurance program for National sports teams of Russia on a client side. Created a workflow to collect representative data of sports injuries, then analyzed it for improving conditions of the insurance programs.
